

Parish of Immaculate Conception, Clevedon Pilgrimage to Medjugorje

Wednesday 19 May - Wednesday 26 May 2027

Nestled among the hills of Bosnia and Herzegovina, Medjugorje has become one of the world's most visited pilgrimage destinations since 1981, when six local children reported apparitions of the Blessed Virgin Mary, whom they identified as the Queen of Peace. Her message of prayer, peace and hope feels as relevant today as ever.

Through prayer on Apparition Hill, reflection on Cross Mountain, participation in Holy Mass, and fellowship with pilgrims from around the world, Medjugorje invites each person to open their heart to Christ and rediscover the joy of the Gospel.
